

Hiring of

VULNERABILITY SPECIALIST (PHYSICAL AND FOOD SECURITY)

A public sector organization invites Requests for Proposals (RFPs) from individual consultants for a donor-funded project.

The Specialist will be responsible for assessing physical vulnerabilities and food security risks in the designated areas, preparing comprehensive reports, and providing evidence-based recommendations to guide resilience building, policy, and programming.

Eligibility/Requirements

- Master degree in Social Sciences, Food Security, Agriculture, Disaster Risk Management, or a related field.
- Proven experience in physical vulnerability assessments, food security analysis, and risk mapping.
- Strong analytical, research, and report-writing skills.
- Familiarity with humanitarian, food security, and resilience contexts in Khyber Pakhtunkhwa will be an asset.

Submission Guidelines:

Interested candidates are requested to submit the following documents:

1. Technical Proposal (detailing the approach, methodology, and work plan).
2. Financial Proposal (in PKR, inclusive of all applicable taxes).
3. Updated CV highlighting Minimum 3 to 5 years experience donor funded Projects.
4. Relevant Supporting Documents (certificates, previous assignments, references, etc).

Note:

Only shortlisted candidates will be contacted for further process.

Deadline for Submission:
16th September 2025
