## DRM ADVISOR

**TECHNICAL LEAD IN DRR POLICY, MHVRA, PDRIS & CBDRM**

A public sector organization invites Requests for Proposals (RFPs) from individual consultants for a donor-funded project.

*The Advisor will provide technical leadership and guidance in the areas of Disaster Risk Reduction (DRR) policy, Multi-Hazard Vulnerability and Risk Assessment (MHVRA), Provincial Disaster Risk Information System (PDRIS), and Community-Based Disaster Risk Management (CBDRM). The role includes designing strategies, strengthening institutional frameworks, developing technical tools, and supporting evidence-based decision-making to enhance resilience and risk governance.*

### Eligibility/Requirements

- Master degree in Disaster Risk Management, Environmental Sciences, Social Sciences, or a related field.
- Proven experience in DRR policy formulation, risk assessment, and information systems development.
- Demonstrated expertise in MHVRA, PDRIS, and CBDRM approaches.
- Strong analytical, advisory, and technical writing skills.
- Familiarity with national and provincial disaster management frameworks in Khyber Pakhtunkhwa will be an asset.

### Submission Guidelines:

Interested candidates are requested to submit the following documents:

1. Technical Proposal (detailing the approach, methodology, and work plan).
2. Financial Proposal (in PKR, inclusive of all applicable taxes).
3. Updated CV highlighting Minimum 5 years experience donor funded Projects.
4. Relevant Supporting Documents (certificates, previous assignments, references, etc).

### Note:

**Only shortlisted candidates will be contacted for further process.**

**Deadline for Submission:  
8th September 2025**
