

No. PDMA/W-Adv-Prep-02/2026

Dated 29.01.2026

To

1. All Administrative Secretaries, Govt of Khyber Pakhtunkhwa
2. The Deputy Commissioner, Chitral (Lower & Upper), Dir (Lower & Upper), Shangla, Bajaur, Buner, Swat, Kohistan (Lower & Upper), Kolai Pallas, Battagram, Abbottabad, Mansehra

Special Attention: Secretary Tourism Department, Govt of Khyber Pakhtunkhwa

Subject: **PREPARATIVE MEASURES IN WAKE OF WEATHER ADVISORY – “LIGHT TO MODERATE RAIN/ SNOWFALL PREDICTED IN NORTHERN AREAS DURING COMING DAYS”**

Dear Sir,

In reference to this office Weather Advisory No. PDMA/PEOC/W-Adv-03-01/2026 dated 29-01-2026 (copy enclosed), wherein it was intimated that from **31st January to 03rd February, 2026**, the northern districts of Khyber Pakhtunkhwa are expected to experience light to moderate snowfall and rainfall. These weather conditions may lead to road blockages/ slippery, landslides/ avalanches and other hazardous situations, posing significant risks to travelers and tourists in the region.

It is therefore requested to kindly take all precautionary measures in order to avoid any untoward situation. Furthermore, you are kindly requested to take the following along with any other measures deemed necessary;

1. Clearly inform the public about areas vulnerable to landslides, road closures, and heavy snowfall.
2. Advise the public to postpone non-essential travel to high-risk northern districts during this period.
3. Coordinate with local authorities to monitor tourist spots, roads, and highways.
4. Ensure the presence of emergency response teams at key locations to assist travelers if needed.
5. Advise hotels, guesthouses, and other tourist facilities to inform visitors about potential hazards and necessary precautions.
6. Travelers should avoid remote or high-altitude areas during the snowfall and heavy rainfall.
7. Prepare response contingency plan with resource mapping, coordination, info centers, and evacuation routes.
8. Establish control room linked with PEOC.
9. Issue alerts on weather, landslides/ avalanches, and snow covered areas.
10. Warn and guide highway travelers in at-risk areas; provide safe detours.
11. Share list of tourist information centers and rescue stations.

Dated Peshawar the 29th January, 2026

To

All Deputy Commissioners,
Khyber Pakhtunkhwa

Subject: **LIGHT TO MODERATE RAIN/SNOWFALL PREDICATED IN NORTHERN AREAS DURING COMING DAYS**

Dear Sir,

I am directed to refer to the subject noted above and to state that Pakistan Meteorological Department (PMD), Regional Met Office, Peshawar has predicted that a shallow westerly low-pressure system is likely to approach most parts of the region from 30th January and persist till 3rd February 2026.

Under the influence of this weather system:

- **Mainly cloudy weather conditions with light to moderate rain (light to moderate snowfalls over the hills)** is very likely in Abbottabad, Haripur, Mansehra, Chitral (Upper & Lower), Dir (Upper & Lower), Swat, Buner, Malakand, Battagram, Shangla, Kohistan (Upper & Lower), Kolai Pallas, Torghar, Peshawar, Mardan, Swabi, Nowshera, Charsadda, Bajaur, Mohmand, Khyber, Orakzai, Kurram, Kohat, Hangu, Karak, Bannu North & South Waziristan, Lakki Marwat, Tank and Dera Ismail Khan from 31st January to 3rd February with occasional gaps.

Possible Impacts:

- **Snowfall** may cause slippery conditions in Naran, Kaghan, Dir, Swat, Kalam, Chitral, Kohistan, Mansehra and Shangla from 01st to 3rd February.
- Possibility of the **landslides/avalanche** in hilly areas of upper Khyber Pakhtunkhwa during the period.
- **Foggy conditions** are very likely to prevail in plain areas of Khyber Pakhtunkhwa after the passage of the weather system.
- **Day time temperatures** are likely to drop during the period.

It is therefore requested to kindly take all precautionary measures in order to avoid/minimize human losses and/or any damages to infrastructure and livestock. Furthermore, all concerned authorities are requested to take the following safety measures:

- a) Local administrations to assess and plan deployment of additional resources and exercise control over traffic leading to and in vicinity of vulnerable/ choke points/ tourist spots/ attractions and securing (by physical means and keeping people away) from loose structure such as buildings under constructions, advertisement hoardings, electric poles, solar panels etc. to prevent losses/damages and save precious lives.
- b) Main/ linked roads shall be kept clear and open.
- c) Uninterrupted water supply shall be ensured.
- d) Ensure sufficient quantity of daily food and other commodities.
- e) Petrol pumps shall be kept functional with sufficient fuel availability for public;
- f) Advice concerned with keeping monitoring on Rivers, Streams, Local/ Barsati Nullahs.
- g) Tourists are advised to remain extra cautious and avoid unnecessary travel during the forecast period.
- h) Ensure timely mobilization of Rescue 1122 teams where response is required to passengers or other local communities during travelling.
- i) Ensure that drainage systems are clear of debris and obstacles to facilitate the efficient flow of water and minimize the risk of urban flooding.
- j) Coordinates with relevant municipal administrations to ensure mitigation & preparedness measures for landslides/ urban flooding and to secure or remove billboards/ hoardings because of wind/ thunderstorm.
- k) Farmers to be advised to take all necessary mitigative and precautionary measures to safeguard their crops, i.e., timely harvesting, safe storage, or any other precaution from adverse effects of wind/ thunderstorm.

- l) Cattle/ sheep herders to be advised to undertake necessary mitigative and precautionary measures to protect their livestock, i.e., safe sheltering or any other precaution from adverse effects of wind/ thunderstorm.
- m) Travelers on Provincial & National Highways in at-risk / affected areas be forewarned of adverse conditions and detoured to safe waiting areas under the guidance of respective local authorities, national highway & motorway police, LEAs, etc.
- n) The general public is advised to seek shelter in safe areas such as sturdy buildings or underground structures during wind/ thunderstorm, snowfall, and avoid objects that pose a risk of failing or being struck by lightning.
- o) Ensure availability of emergency services personnel and equipment in areas at high risk of urban flooding, flash flooding, snowfall and landslides.
- p) Ensure immediate stocking of basic commodities, including paramedics & medicine, especially in regions that are likely to get cut off during landslides.
- q) Ensure widespread circulation of alerts and advisories, especially in local languages, to raise awareness and sensitize travelers/tourists and local communities in at-risk/ vulnerable areas.
- r) Travelers/tourists are advised to: -
 - Plan travels to picnic and tourist spots, considering weather and traffic conditions.
 - Avoid overcrowding picnic and tourist spots and ensure personal safety.
 - Properly dispose of garbage at designated areas to prevent clogging of drainage systems.
 - Keep children away from rivers/ nullahs/ pot holes/ drainage lines to avoid accidents.
 - Carry sufficient drinking water, food supplies, medicines, and power banks, as prolonged road blockage and delays are possible during snowfall.
 - Wear proper winter clothing and insulated footwear, and carry additional warm layers, gloves, and waterproof jackets.
 - Maintain safe distance (minimum 20 feet) from rivers, streams, and nullahs, as sudden water rise may occur.
 - Avoid walking or driving through flooded areas — just 6 inches of moving water can knock you off your feet.
 - Avoid trekking, hiking, or camping during heavy rains/ snowfall — the risk of landslides, slippery trails, and flash floods increases.
 - Avoid self-driving in unfamiliar or hilly areas during rain/ snowfall — opt for local drivers who know the terrain.
 - Do not attempt to cross bridges or roads submerged in water — they may be damaged or unstable.
 - Cooperate with locals and district authorities, rescue agencies during emergencies or weather disruptions.
- s) Ensure a proactive approach by diverting traffic, providing alternate routes, imposing movement/travel restrictions, to avert any situation of road closure with stranded travelers in light of forecasted weather.
- t) Ensure round-the-clock monitoring of the situation through Emergency Operations Centers (EOCs).
- u) In case of any occurrence, updates may kindly be shared with PEOC PDMA Khyber Pakhtunkhwa, i.e., active round the clock via toll-free helpline 1700.
