

**Provincial Disaster Management Authority
Government of Khyber Pakhtunkhwa**

PRESS RELEASE

Peshawar: Provincial Disaster Management Authority (PDMA), Khyber Pakhtunkhwa has launched **“Inclusive Disaster Risk Reduction Play & Art based resource Manual for children”** at PDMA Peshawar. The manual consists of different thematic games to engage the children from 6-12 year age group on Disaster Risk Reduction.

Director General PDMA appreciated Handicap International for extending their technical and financial support to develop and launch the said manual. He expressed that PDMA will engage education department to include the manual in mainstream syllabuses. He further expressed that the dissemination and further training on the said manuals are required to be extended all over KP. He emphasized on **“Virtual Mentoring Version”** of the same manual may also be developed, as it will help in extending the outreach canvas.

MS. Iffat and other representatives from Handicap International were also there in the launching event, she presented the manual kit officially to DG PDMA and expressed that Handicap International will continue its humanitarian and development initiatives in close coordination and collaboration with PDMA KP.
